Aloha!

Hope you are doing well during these uncertain times. Klaritie Farms and Honu Brand is still here to serve you! I am attaching an updated version of our menu for you. Please let me know if you would like us to send any particular samples your way, or if you would like to place an order.

I do want to advise that we are working as quickly as we can to process all incoming orders, but we may experience some slight delays with delivery, as we are moving to a third party delivery service only at this time. You may want to consider placing larger orders in the meantime to get you through between deliveries. Also, if your store has any updates to your delivery acceptance protocol, please let me know so we can make sure to accommodate it for you.

Please read the following statement regarding how we are handling COVID-19 - and include Facility & Event Information.

"Hello-

As a GMP manufacturing facility, we are taking this situation very seriously. The safety of our customers and employees is always foremost on our minds. As communities continue to feel the impact of the coronavirus (COVID-19), We want to share with you the steps we're taking to help protect the health of our customers, employees, and communities.

We're closely monitoring local and national reports on the evolving impact of COVID-19. Based on guidance from the Centers for Disease Control (CDC), the World Health Organization (WHO) and local public health agencies, we've established a response team to act quickly and effectively.

As an immediate step, we increased our cleaning and disinfecting efforts, frequently disinfecting often-touched surfaces such as counters, chairs, phones, door handles, keypads, restroom surfaces, etc.

Our facility has taken extra precautions this week to help minimize the impact of COVID-19. We will be operating a skeleton crew, fulfilling as many orders as possible and using a 3rd party delivery service to

provide your deliveries. This will cause some delay in your orders, however we are trying to keep it at a minimum and with the least impact as possible. We encourage you to place orders in larger quantities to minimize the amount of deliveries and ensure that you will continue to have product to provide to our customers. We will be assessing the status of the COVID-19, through this week, which we will determine how to proceed through the next few weeks. We are hopeful that with everyone doing their part to contain the COVID-19, We can get back to business as normal soon.

We will not be able to participate in any vendor events until further notice, please cancel the event or reschedule for a later date.

Finally, we ask all of our employees who show symptoms or come into contact with infected individuals to stay home and follow the CDC guidelines to prevent the spread of the infection. You can learn at:

[https://www.cdc.gov/coronavirus/2019ncov/index.htmlutm_source=email&utm_medium=Email&utm_campaign=coronavirus.](https://www.cdc.gov/coronavirus/2019ncov/index.htmlutm_source=email&utm_medium=Email&utm_campaign=coronavirus)

We feel deeply for those who have been impacted by this outbreak. We value your business and plan to take all necessary steps to ensure our facility is exceptionally clean and sanitary, and a safe place for our employees.

Again, the health and safety of our customers, employees and our communities are a top priority and we're committed to doing our part to help keep you safe."

Kind Regards,

Laurie Webster "

Thank you for your business and please reach out with any questions, concerns, or orders/sample requests you have at this time!
