## Impact of Covid-19

Covid-19 is changing the way we all think and operate on a daily basis. To the families, business owners and vendors who have been directly or indirectly impacted by Covid-19 we send our our

deepest condolences and hope for well being to you and yours.

While there is uncertainty in many areas of our lives there are yet even more concerns of how this will impact business for all of us. Ray's Lemonade is doing all we can to ensure we have everything needed to maintain inventory for all of your Ray's Lemonade should you have a need.

At this time we are uncertain of how supply chain issues will impact our business and ability to produce delicious Ray's Lemonade. Currently we have a good inventory of Ray's Lemonade please let us know if you have any needs that we can address at this time.

From all of us at Ray's Lemonade, stay safe and healthy.
